

HOLIDAY HOMEWORK
TOPIC – SAVE WATER, SAVE LIFE
Class – V

ENGLISH

- Imagine you are the Mother Earth. Your water is getting polluted everyday with many things that are thrown into the river and sea. How would you feel? Express your feelings in the form of a poem of 10 lines.
- Write nicely on a half sheet of chart paper and draw a picture related to your poem.

MATHS

- Make a list of places where water is used in your house. Find out how many litres of water is used in each of the place mentioned. Then calculate it for the entire house. Go to five of your neighbours houses and do the similar act. Then calculate the amount of water used in just five houses per day.
- A code is a way of writing a message in secret. Each letter of the alphabet is replaced by a number. A - 1, B - 2, C - 3, D - 4, E - 5, F - 6, Z - 26.

So if you want to write: I am good student.

You will write your secret message as: I A M A G O O D S T U D E N T

8 1 13 8 7 15 15 4 19 20 21 4 5 14 20

- ✓ Please write five secret messages for your family members and let try find out your hidden message.
- ✓ Write down these coded messages in A4 sheet paper.
- ✓ Note down the timing of your favourite shows on television and make different clocks showing their timings. The clocks should have to make of cupboard with different faces like any cartoon character.

COMPUTER

Make a PPT with pictures showing how people in our society waste water. Your last two or three slides should mention how that can be stopped.

EVS

- Find out how the water which you use reaches in your house. Visit that place.
- How is water purified in your house? Write down the process. Write a report and support it with a picture of the water purified system in your house.

- How much oxygen we inhale everyday!! Surf on internet and find out and if we have to buy oxygen for our use how much money we will be spending? (Imagine oxygen available the rate of Rs. 50 per litre.....)

ART

- Draw disaster caused by water.
- Make a collage on the Mother Earth. Showing the importance of planting more trees and making her green and beautiful always.

HINDI

BOOK MAP – Read one book and then try to learn the following regarding the book so that you can say a few sentences about the book in the class after the holidays.
